The Get-Out-of-Town and See the Low Country Scenic Tour (3 1/2 hours)

Explore the serenity of rivers, barrier islands, beaches, marshlands and meandering waterways that surround Savannah. Your attendees will marvel at the magnificent natural beauty of the coastal landscape and abundance of wildlife. This tour also takes you down picturesque back roads with showcase Southern architecture of a bygone era. You will enjoy seeing stately riverfront homes, a former plantation, historic cemeteries, a giant 300 year old live oak tree and one deliciously famous cookie company. We will also stop by the Chapel at Bethesda Home for Boys. This chapel dates back to the 1700's.
